GRATITUDE

To be grateful is to recognize the Love of God in everything He has given us - and He has given us everything. Every breath we draw is a gift of His love, every moment of existence is a grace. Gratitude therefore ...

takes nothing for granted,

is never unresponsive,

is constantly awakening to new wonder

and praises the goodness of God.

For the grateful person knows that God is good, not by hearsay but by experience. And that is what makes all the difference.

Thomas Merton
