Disaster Response

As waters rise and life-saving rescues continue from the Houston metro area to the Gulf Coast region, CBF Disaster Response and its partners — including CBF Texas, Fellowship Southwest and others — are in touch with national and state partners and are contacting Texas church leaders to assess their needs. CBF has more than 100 partner churches in the city of Houston and surrounding communities as well as field personnel serving in Houston and the Rio Grande Valley. CBF will work with state and regional organizations, the Federal Emergency Management Agency, the National Voluntary Organizations Active in Disasters (VOAD), as well as other local and national partners, including friends in the North American Baptist Fellowship, in any response.

Scripture emphasis for the weekend...

Philippians 2:1-4 If you've gotten anything at all out of following Christ, if his love has made any difference in your life, if being in a community of the Spirit means anything to you, if you have a heart, if you care— then do me a favor: Agree with each other, love each other, be deep-spirited friends. Don't push your way to the front; don't sweet-talk your way to the top. Put yourself aside, and help others get ahead. Don't be obsessed with getting your own advantage. Forget yourselves long enough to lend a helping hand.
