The church kitchen throughout much of America is often the heart and soul of any church. In *Church Basement Ladies* we meet the pastor, three main kitchen cooks and one daughter who run the kitchen and care for the congregation by preparing and serving the food. Like any great kitchen, problems are solved here as well. This musical comedy based on recipes, food, and change in the church is funny, heart warming, and down to earth. It will bring back memories of many people you know from churches everywhere.
