BE A READING BUDDY!

By spending only thirty minutes each week with a child, you can...

- Help to improve his/her reading skills
- Build the child's confidence
- Improve his/her self-esteem
- And invest in your community's future

We are hoping to form a team from our church to be "Reading Buddies" for children at Greenridge Elementary. If you are interested in volunteering or need more information, please contact the church office.

*Just a little time each week could make a
real difference in the life of a child!*
