Help for Trenton - CBF Global Disaster Response has come to North Carolina and visited some of the affected communities in our state. They discovered a neglected community, Trenton, outside of New Bern, that has received no outside help. As work can be organized there, they will invite Cooperative Baptists from outside North Carolina to participate in ministry in that community. Of course, CBFNC folks are welcome to join in.

Give - Please give to the **CBFNC Disaster Response Fund.** **One hundred percent** of the funds collected will be used to address local needs identified by CBFNC partner churches.

The Town of Biscoe will be hosting its
5th Annual Halloween in the Park
Wednesday, October 31, 2018
from 6—8 pm.

Our church plans to set up a trunk-or-treat station to hand out candy to the trick-or-treaters. Please let Josh know if you would be willing to help.

Donations of Halloween candy will be collected through Sunday, October 28th. You will find donation bins in the fellowship hall.
Thank you!

October **Wednesday Night** **Bible Study**

Each week during the month of October we will examine an important component of how we do Church. Every church interacts with these components a little differently, but they are the Pillars of the Church. We will look at Worship, Missions, Ministry/Service, and Evangelism/Outreach.

Hope to see everyone for our
October Wednesday night Bible study!
